## Our Purpose Is...

a cooperative effort of many churches and individuals to procure funds for qualifying missions, enabling them to share God's love in Haiti.

## Our Vision Is...

to see Haitians use even limited resources in sustainable agriculture and other self-help programs, providing water wells and clinics, assisting in education, distributing Christian literature, coordinating teaching ministries and providing disaster relief. Our ultimate goal is for them to know the Lord Jesus Christ. All this as we "consider the cause of the poor and the needy."

## How does the project work?

Once a year we receive donations of heifers and cash donations. These heifers are sold at auction and the funds are sent to Haiti missions. Our volunteers contact potential donors and take care of any logistics. All you need to do is donate, and the trucking and paperwork will be taken care of in a discreet, confidential manner.

## How do I donate?

Pick up the phone and call one of the contacts below. They will schedule a pick up at your farm. If you have questions they will try to answer them by phone or make a visit to you personally. Each year we visit hundreds of farms. We will gladly stop by your farm to discuss the possibility of donating or answering your questions. Or you can save time by calling us to let us know how you want to help.
